

## MSDS Sheet # 3459

# MATERIAL SAFETY DATA SHEET

ISSUE DATE: 02/05

### SECTION I

EMERGENCY TELEPHONE NUMBER: 1-800-424-9300 Chemtrec

TELEPHONE NUMBER FOR INFORMATION: 1-818-999-5112

IDENTITY: **BODY DOUBLE THICKENING SERUM - STEP 2 / #3459**

INGREDIENTS/CHEMICAL NAME: Mixture

### SECTION II – HAZARDOUS INGREDIENTS/IDENTITY INFORMATION

HAZARDOUS INGREDIENTS AS DEFINED BY OSHA 29 CFR 1910.1200

| <u>Chemical Name</u> | <u>Common Name</u> | <u>CAS NO.</u> | <u>ACGIH TLV</u> | <u>OSHA PEL</u> | <u>Other Limits Recommended</u> |
|----------------------|--------------------|----------------|------------------|-----------------|---------------------------------|
|----------------------|--------------------|----------------|------------------|-----------------|---------------------------------|

This product does not contain ingredients which are considered hazardous according to the OSHA Communication Standard.

### SECTION III – PHYSICAL/CHEMICAL CHARACTERISTICS

|                        |             |   |  |
|------------------------|-------------|---|--|
| Boiling Point (°F)     | >212°F      | Specific Gravity (H <sub>2</sub> O = 1) | 1.02                                   |
| Vapor Pressure (mm Hg) | N/A         | Percent Volatile by Volume              | N/A                                    |
| pH                     | 4.30        | Odor                                    | Fruity-floral                          |
| Solubility in Water    | Dispersible | Appearance                              | Light straw, hazy, semi-viscous liquid |

### SECTION IV – FLAMMABILITY AND REACTIVITY

|  |          |                  |     |                      |     |     |      |
|--|----------|------------------|-----|----------------------|-----|-----|------|
| FLASH POINT (METHOD USED):   | N/A      | EXPLOSIVE LIMITS | LEL | N/A                  | UEL | N/A |      |
| EXTINGUISHING MEDIA<br>Water spray, foam, dry chemical or CO <sub>2</sub> extinguishing agent. |          |                  |     |                      |     |     |      |
| SPECIAL FIRE FIGHTING PROCEDURES<br>None   |          |                  |     |                      |     |     |      |
| UNUSUAL FIRE HAZARDS<br>None   |          |                  |     |                      |     |     |      |
| STABILITY  | UNSTABLE | STABLE           | X   | CONDITIONS TO AVOID: |     |     | None |
| INCOMPATIBILITY (Materials to Avoid):<br>Strong oxidizing and reducing agents                  |          |                  |     |                      |     |     |      |
| HAZARDOUS DECOMPOSITION/BY PRODUCTS:<br>Oxides of Carbon and Nitrogen                          |          |                  |     |                      |     |     |      |

|  |           |                     |                             |
|--|-----------|---------------------|-----------------------------|
| HAZARDOUS<br>POLYMERIZATION  | MAY OCCUR | WILL NOT OCCUR<br>X | CONDITIONS TO AVOID:<br>N/A |
| BODY DOUBLE THICKENING SERUM - STEP 2 / #3459<br>Page 2 of 2   |           |                     |                             |
| <b>SECTION V – HEALTH AND SAFETY DATA</b>  |           |                     |                             |
| ROUTES OF ENTRY: Eye, oral, skin   |           |                     |                             |
| HEALTH HAZARDS (ACUTE AND CHRONIC): Avoid eye contact.   |           |                     |                             |
| SIGNS OF SYMPTOMS OF EXPOSURE: May cause nausea if ingested. May cause eye and skin irritation.  |           |                     |                             |
| MECIDAL CONDITIONS GENERALLY AGGRAVATED BY EXPOSURE: N/A   |           |                     |                             |
| EMERGENCY AND FIRST AID PROCEDURES: If ingested, rinse mouth. Immediately give plenty of water. If appreciable quantities are swallowed, seek medical attention. In case contact with eyes or skin causes irritation, discontinue use and flush with water for 10 minutes. If discomfort persists, seek medical Attention. |           |                     |                             |

|  |  |
|--|--|
| <b>SECTION VI – PRECAUTIONS FOR SAFE HANDLING AND USE</b>  |  |
| PRECAUTIONS TO BE TAKEN IN HANDLING AND STORING:<br>Normal handling and storage practices consistent with good manufacturing practices.                                |  |
| OTHER PRECAUTIONS: N/A   |  |
| STEPS TO BE TAKEN IN CASE MATERIAL IS RELEASED OR SPILLED:<br>Spill may be slippery. Soak up with inert absorbent material or mop up. Flush area with hot soapy water. |  |
| WASTER DISPOSAL METHOD:<br>Use waste disposal methods in compliance with Federal, State and local regulations.   |  |

|  |   |                 |
|--|---|-----------------|
| <b>SECTION VII – SPECIAL PROTECTION INFORMATION</b>  |   |                 |
| RESPIRATORY PROTECTION (Specify Type):<br>None required with normal use.                   |   |                 |
| VENTILATION  | LOCAL EXHAUST<br>None required with normal use. | SPECIAL<br>None |
|  | MECHANICAL (General)<br>Acceptable              | OTHER<br>None   |
| EYE PROTECTION: None required with normal use.   |   |                 |
| PROTECTIVE GLOVES: None required with normal use. Plastic or rubber for extended exposure. |   |                 |
| OTHER PROTECTIVE EQUIPMENT: None required with normal use.                                 |   |                 |

|   |                                |
|---|--------------------------------|
| <b>SECTION VIII– TRANSPORTATION INFORMATION</b> |                                |
| DOT Transportation Data (49 CFR 172.101)        |                                |
| DOT Proper Shipping Name: Not regulated         | Hazard Class: Not regulated    |
| UN Number: Not regulated                        | Packaging Group: Not regulated |

N/A = NOT APPLICABLE

U/N = NOT KNOWN

THE SUBMISSION OF THIS MSDS MAY BE REQUIRED BY LAW, BUT HIS IS NOT AS ASSERTION THAT THE SUBSTANCE IS HAZARDOUS WHEN USED IN ACCORDANCE WITH PROPER SAFETY PROECTIVES AND NORMAL

HANDLING PROCEDURES. DATA SUPPLIED IS FOR USE ONLY IN CONNECTION WITH OCCUPATIONAL SAFETY AND HEALTH.
